

Entertain at the Williamson

One of Wirral's hidden gems, the Williamson Art Gallery & Museum is minutes from the heart of Birkenhead, on the edge of the picturesque village of Oxtou. It is centrally located and easily accessible by car and local transport, with free parking.

Funded through Birkenhead Borough Council by the philanthropists, John Williamson, a Director of the Cunard Steamship Company Ltd and his son Patrick Williamson, it opened to the public in 1928.

A truly splendid building, this elegant venue now provides space to display masterpieces, ceramics, and sculptures. Housing the largest public collection of Della Robbia pottery in the UK and home to some internationally important paintings, the gallery is a perfect venue for your event.

Our friendly staff are delighted to share our beautiful Gallery & Museum with you for corporate events and special occasions. Our in-house caterers have an excellent reputation for delicious food. Their service can be tailor-made to meet your budget and requirements, from a sandwich lunch to a wedding reception.
